

FOREST SERVICE MANUAL  
Cadillac, Michigan

JULY 1987

TITLE 2800 - MINERALS AND GEOLOGY

H-M Supplement No. 14

POSTING NOTICE: Supplements to this title are numbered consecutively. Check the last transmittal sheet you received for this title to see that the above supplement number is in sequence. If not, order intervening supplements at once (show title and supplement number). Do not post this supplement until the missing one(s) is received and posted. After posting retain this transmittal sheet until the next supplement to this title is received. Individual holders should keep only the last transmittal sheet and should place it at the front of the title.

DIGEST:

Establishes the values to be charged for sand and gravel on the Forests.

It is my decision to not obtain public involvement in this manual supplement because the subject matter is exempt according to 36 CFR 216.3.

  
RONALD E. SCOTT  
Acting Forest Supervisor

## TITLE 2800 - MINERALS AND GEOLOGY

2856 - APPRAISAL

2856.2 - Fair Market Value. An appraisal dated July 20, 1987, establishes the value of sand and gravel on the Forests. These values are consistent with those charged by the Michigan Department of Natural Resources. The values to be charged are as follows:

Gravel - \$.50 per cubic yard

Sand/Fill - \$.25 per cubic yard
